

## Company Overview

Ai Labs, Inc. ([www.ailabsinc.com](http://www.ailabsinc.com)) was founded in 2017 (Arizona, USA) with a mission to offer Artificial Intelligence enabled solutions using our Proprietary Platforms, IT Solutions & Custom AI Solution Development Services. Ai Labs Inc., headquartered in the USA, is a global leader in Artificial Intelligence, digital transformation, and strategic simulation platforms.

Ai Labs has a strong global presence with offices in the USA, India, Canada, and Riyadh, supported by a fully owned development center in India called NexGen AI Solutions Pvt Ltd.

We have successfully executed cross-industry AI projects, delivering value in areas such as financial analytics, digital health, and smart logistics. Strategic partnerships and **MOUs** include collaborations with **SADAIA** (Saudi Data and AI Authority) and Apollo Hospitals, strengthening our presence in the Middle East and Asia.

Ai Labs is committed to democratizing AI knowledge, accelerating project development, and empowering corporations with inclusive and sustainable AI ecosystems.
